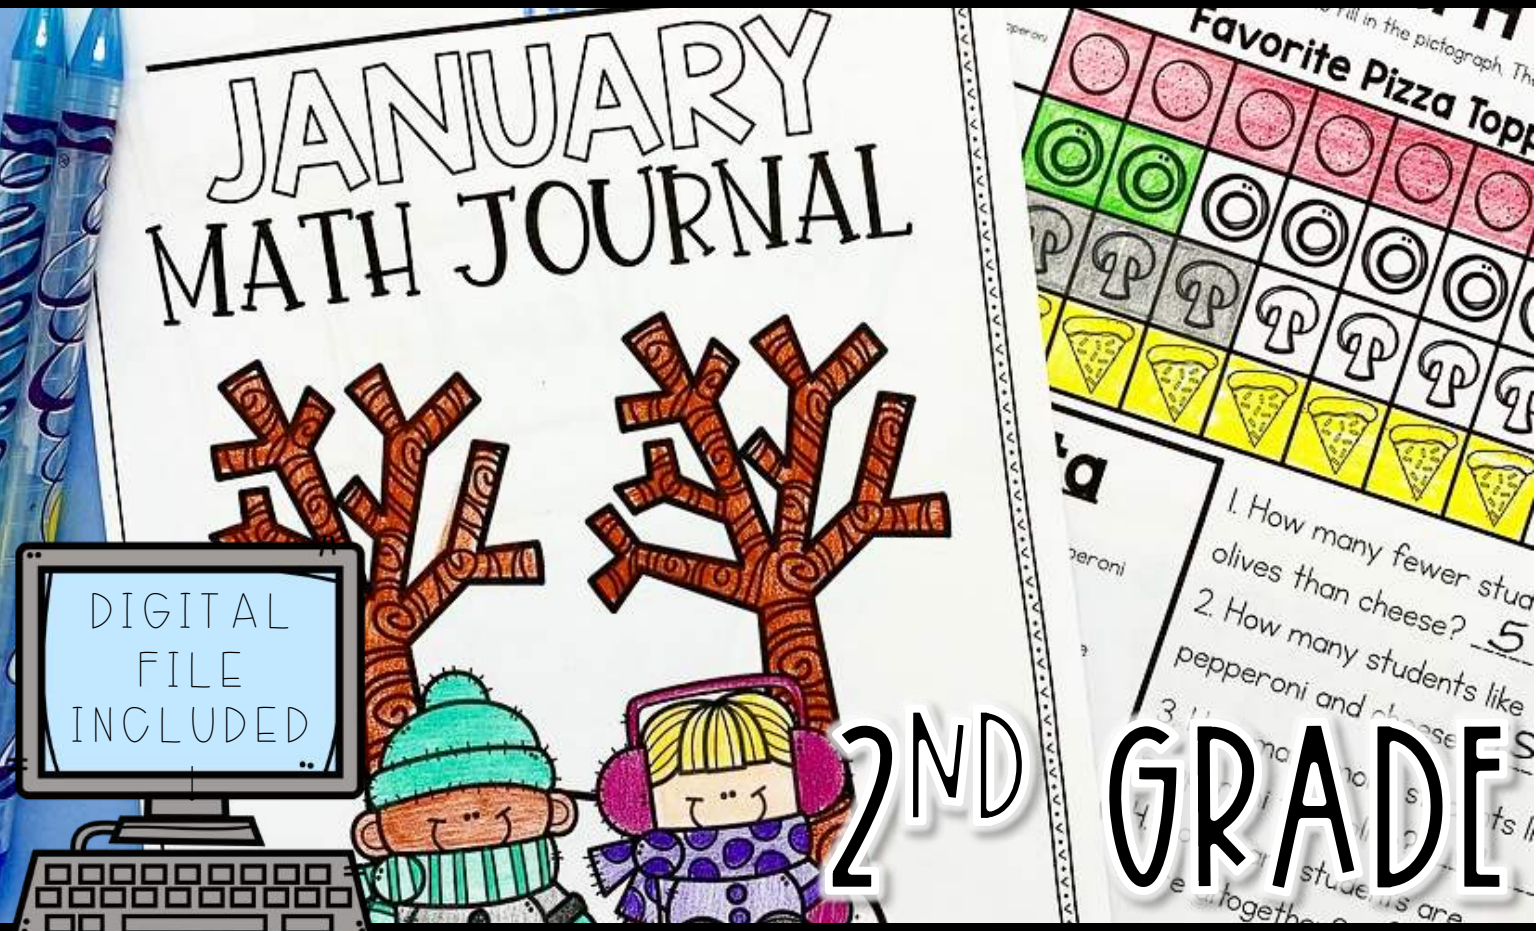
JANUARY MATH JOURNAL

SPIRAL REVIEW – MORNING WORK - MATH CENTER



CREATED BY: ALISHA GIARRATANA, MISSING TOOTH GRINS

WHY SPIRAL MATH?

Spiraling math content is very important for our students. When we constantly review and revisit math standards, our students are getting ample opportunity to gain confidence and gain mastery in their independence.

SKILLS COVERED

The following skills are covered in the January journal:

-3 digit place value
-expanded form
-skip counting by 5s, 10s, 100s to 1,000
-2 digit addition and subtraction with and without regrouping
-word problems within 100
-word problems with length
-money to $1.00
-time to 5 minutes
-word problems involving time (AM & PM)
