FOR YOUR STUDENTS

TREAT TAGS

ESTIMATION STATION

Dump some erasers into a jar and have students make guesses on how many are inside! Reveal how many on the first day of school and give everyone a new eraser!

BOOKMARK STATION

Quickly add names to the bookmarks by typing in your class list. They will autofill onto the bookmarks for you! Students can decorate at a station or you can send them home!

DIGITAL VERSION

Some parts have been uploaded to Google Slides for you to send to caretakers and upload to Google Classroom.

CLASS COMMUNICATION

[Large blank area for class communication]

DIGITAL VERSION

Your caretakers can still write the good luck note to their students, just in Google Slides! Then, you can share it in Google Classroom!

NOTE FROM CARETAKERS

DIGITAL VERSION

These games are for students to practice using Google Slides so that they get comfortable with moving the mouse, interacting with movable pieces, etc.

2 STUDENT GAMES

DIGITAL VERSION

The donation center has a place for caretakers to type their student's name so that you can still get supply donations.

DONATION CENTER

DIGITAL VERSION

This invitation is for you to send to caretakers. You can include all the links they will need for the virtual back to school night so they can access each piece when they can.
