JANUARY

MATH JOURNAL

$1 + 7 = 14$

$1 + 7 = 14$

$4 - 1 = 1$

$4 - 1 = 1$

6

9

15

$9 + 6 = 15$

$6 + 9 = 15$

$15 - 6 = 9$

$15 - 9 = 6$

SNOW MANY NUMBERS

In the snowman, write 2 numbers that equal the total number.

6	10
6	8
12	18
8	5

January 16, 2020

SNOW PAIR UP

Use base ten blocks to the number and word form.

CONCEPTS COVERED:

- ✓ Counting
- ✓ Counting on from a number other than 1
 - ✓ Practice writing numbers 1-20
 - ✓ Addition to 20
 - ✓ Subtraction within 20
 - ✓ Missing Addends of 10
 - ✓ Missing Addends of 20 (with twenty frames)
- ✓ Properties of Operations (ex. if $8+2=10$, then $2+8=10$)
 - ✓ Addition Word Problems
 - ✓ Subtraction Word Problems
 - ✓ Subtraction with picture support
 - ✓ Time to the hour and half hour
 - ✓ Measurement
 - ✓ 2-D Shapes
 - ✓ Comparing numbers
 - ✓ Graphing
 - ✓ Fractions

BUCKETS OF 5

Each bucket has ten snowballs. There are also some snowballs on the ground. How many snowballs there are total and write it in the box.

Today is: January 13, 2021
SNOW MORPH

Read each story. Write the number of tens, ones, and hundreds for each story.

Lindsay and Jake are building a snow fort. There are 30 snowballs. How many snowballs did they use?

3 tens + 6 ones = 36

Grandma baked us some cookies. There are 10 cookies in a tin. How many cookies did she bake?

4 tens + 4 ones = 44
