MATH JOURNAL

SPIRAL REVIEW – MORNING WORK - MATH CENTER

 6	 6	 3	 7
 6	 4		
 5	 1	 1	 2

Today is: November 11, 2019

TURKEY IS GR

Compare the two numbers. Write <, >, or = inside.

 18 < 81	 16 <
 20 = 20	 99 =
 5	 6

Alisha's
NOVEMBER MATH JOURNAL

Alisha's November Math Journal cover features a central illustration of three children (two girls and one boy) sitting in a wooden wagon. The wagon is filled with pumpkins and gourds. The title 'NOVEMBER MATH JOURNAL' is written in large, outlined letters, with 'Alisha's' written above it in a smaller font.

 $1 + 9 = 10$	 $3 + 7 = 10$
 $10 + 0 = 10$	 $5 + 5 = 10$

ROLL IT OUT

problem. Use the space provided to help you solve.

ills on her dinner plate. Jackie has 2 rolls on
e. How many rolls do they have altogether?

!)

CONCEPTS COVERED:

- ✓ Counting
- ✓ Counting on from a number other than 1
 - ✓ Practice writing numbers 1-120
 - ✓ Addition to 20
 - ✓ Missing Addends of 10
 - ✓ Missing Addends of 20 (with twenty frames)
- ✓ Properties of Operations (ex. if $8+2=10$, then $2+8=10$)
 - ✓ Addition Word Problems
 - ✓ Subtraction Word Problems
 - ✓ Subtraction with picture support
 - ✓ Counting on with picture support
 - ✓ Time to the hour and half hour
 - ✓ Comparing length
 - ✓ 2-D Shapes
 - ✓ Comparing numbers

Today is:

FILL IN NUMBERS

Fill in the missing numbers below.

	4			
11			19	
	25			40
		46		
			58	
63		75		
82				99
			106	
	115			

Today is:

TEN LITTLE ACORNS

Draw the number of dots needed to make ten in the ten frame. Then, complete the equation.

___ + ___ = 10 ___ + ___ = 10 ___ + ___ = 10

___ + ___ = 10 ___ + ___ = 10 ___ + ___ = 10

Today is:

TWENTY ACORNS

Draw the number of dots needed to make twenty in the twenty frame. Then, complete the equation.

___ + ___ = 20 ___ + ___ = 20 ___ + ___ = 20

___ + ___ = 20 ___ + ___ = 20 ___ + ___ = 20

Today is:

NUTTY FOR NUMBERS

Fill in the missing numbers inside the acorns to count on.

Today is:

OH, FEATHERS!

Fill in the missing numbers around the Turkey inside the Turkey's feathers.

Today is:

LET'S BUILD TEN

Look at the ten frames. Fill in the missing addend and solve.

10 + ___ = ___ 10 + ___ = ___ 10 + ___ = ___

Today is:

TURKEY IS GREAT

Compare the two numbers. Write <, >, or = inside the turkey.

73 < 74 112 > 110

Today is:

PUMPKIN BONDS

Look at the number bond. Fill in the missing numbers.

40 PAGES INCLUDED

10 + ___ = ___ 10 + ___ = ___ 10 + ___ = ___

73 < 74 112 > 110

Today is:

A FEAST OF FACTS

Read the addition fact inside each food. Solve and then color.

6+6= 8+4=

5+9= 7+7=

3+7= 5+4=

Today is:

LET'S HUNT NUMBERS

Make three different ways to make 8.

8 8 8

Make three different ways to make 9.

9 9 9

Today is:

THANKSGIVING DINNER

Read the story problem. Use the picture to help you solve.

There were 14 pieces of pie at dinner. We ate 4. How many pieces were left?

___ - ___ = ___

We had 5 plates on the table. 2 fell off and broke. How many are left on the table?

___ - ___ = ___

We had 8 spoons out for dinner. We used 6 spoons. How many were left?

___ - ___ = ___

I took 3 rolls. I only ate 1. How many rolls were left on my plate?

___ - ___ = ___

Today is:

DISHING UP SOME MATH

Read the story. Then, fill in the possible combinations.

My dad has 7 drumsticks. He wants to put some on each plate. What are some different combinations he can make?

___ + ___ = 7

___ + ___ = 7

___ + ___ = 7

___ + ___ = 7

Today is: November 12, 2019

PUMPKIN BON

Look at the number bond. Fill in the missing number.

Today is: November 11, 2019

TURKEY IS GR

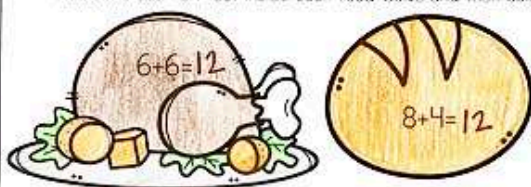

Compare the two numbers. Write <, >, or = inside.

18 < 81	16 < 9
20 = 20	99 = 99
58 > 19	101 > 10
73 < 74	112 > 12

Today is: November 7, 2019

A FEAST OF FACTS

Read the addition fact inside each food. Solve and then color.
