

POP THE BALLOON!

segmenting cards

Spend the first 5 minutes of guided reading with these cards to build fluency, sound recognition, and word recognition!

Created by: Alisha Gianratana @ Missing a Tooth Grins

- *Easy to differentiate based on what your learners need.
- *Contains cards with sounds and words with the sounds.
- *Start guided reading with a routine so your students always know what to expect.
- *Meaningful way to begin guided reading groups.
- *Easy to prep- print, laminate, cut! They will last forever!
- *The BEST part: it's FUN!
